You Should Know

I know you.

I know how smart, strong, and gifted you are.

I know how capable you are of becoming any and everything you want to be.

I know your challenges, obstacles, and frustrations.

I know your triumphs.

I also know the path for you to bring all your great gifts together to become a Visible Man – a man who will be a wonderful husband and father, an accomplished professional, and a great contributor to your community.

I want to show you that path so you can walk it in your own way and in your own time.

I want you to know you are:

- Destined for greatness
- Worthy of all good things
- On the path to realizing your wildest dreams
- Poised to overcome, succeed, and lead - despite whatever hardships you face
- An essential part of the millions of black boys and men who have come before you and proven our significance
- Vital to the future of tomorrow's black boys and men
- Not alone
- Important and loved

After this talk, you will know.

I know that you are valuable - that you matter.

That you are worthy of receiving and sharing goodness and virtue.

It is time for you to know.

It is time to become VISIBLE.

Look up, see and be seen.

Are you ready? I hope so.

I cannot wait to meet you.

This talk is perfect for black boys and young men, ages 5 through 25.
